Foreword

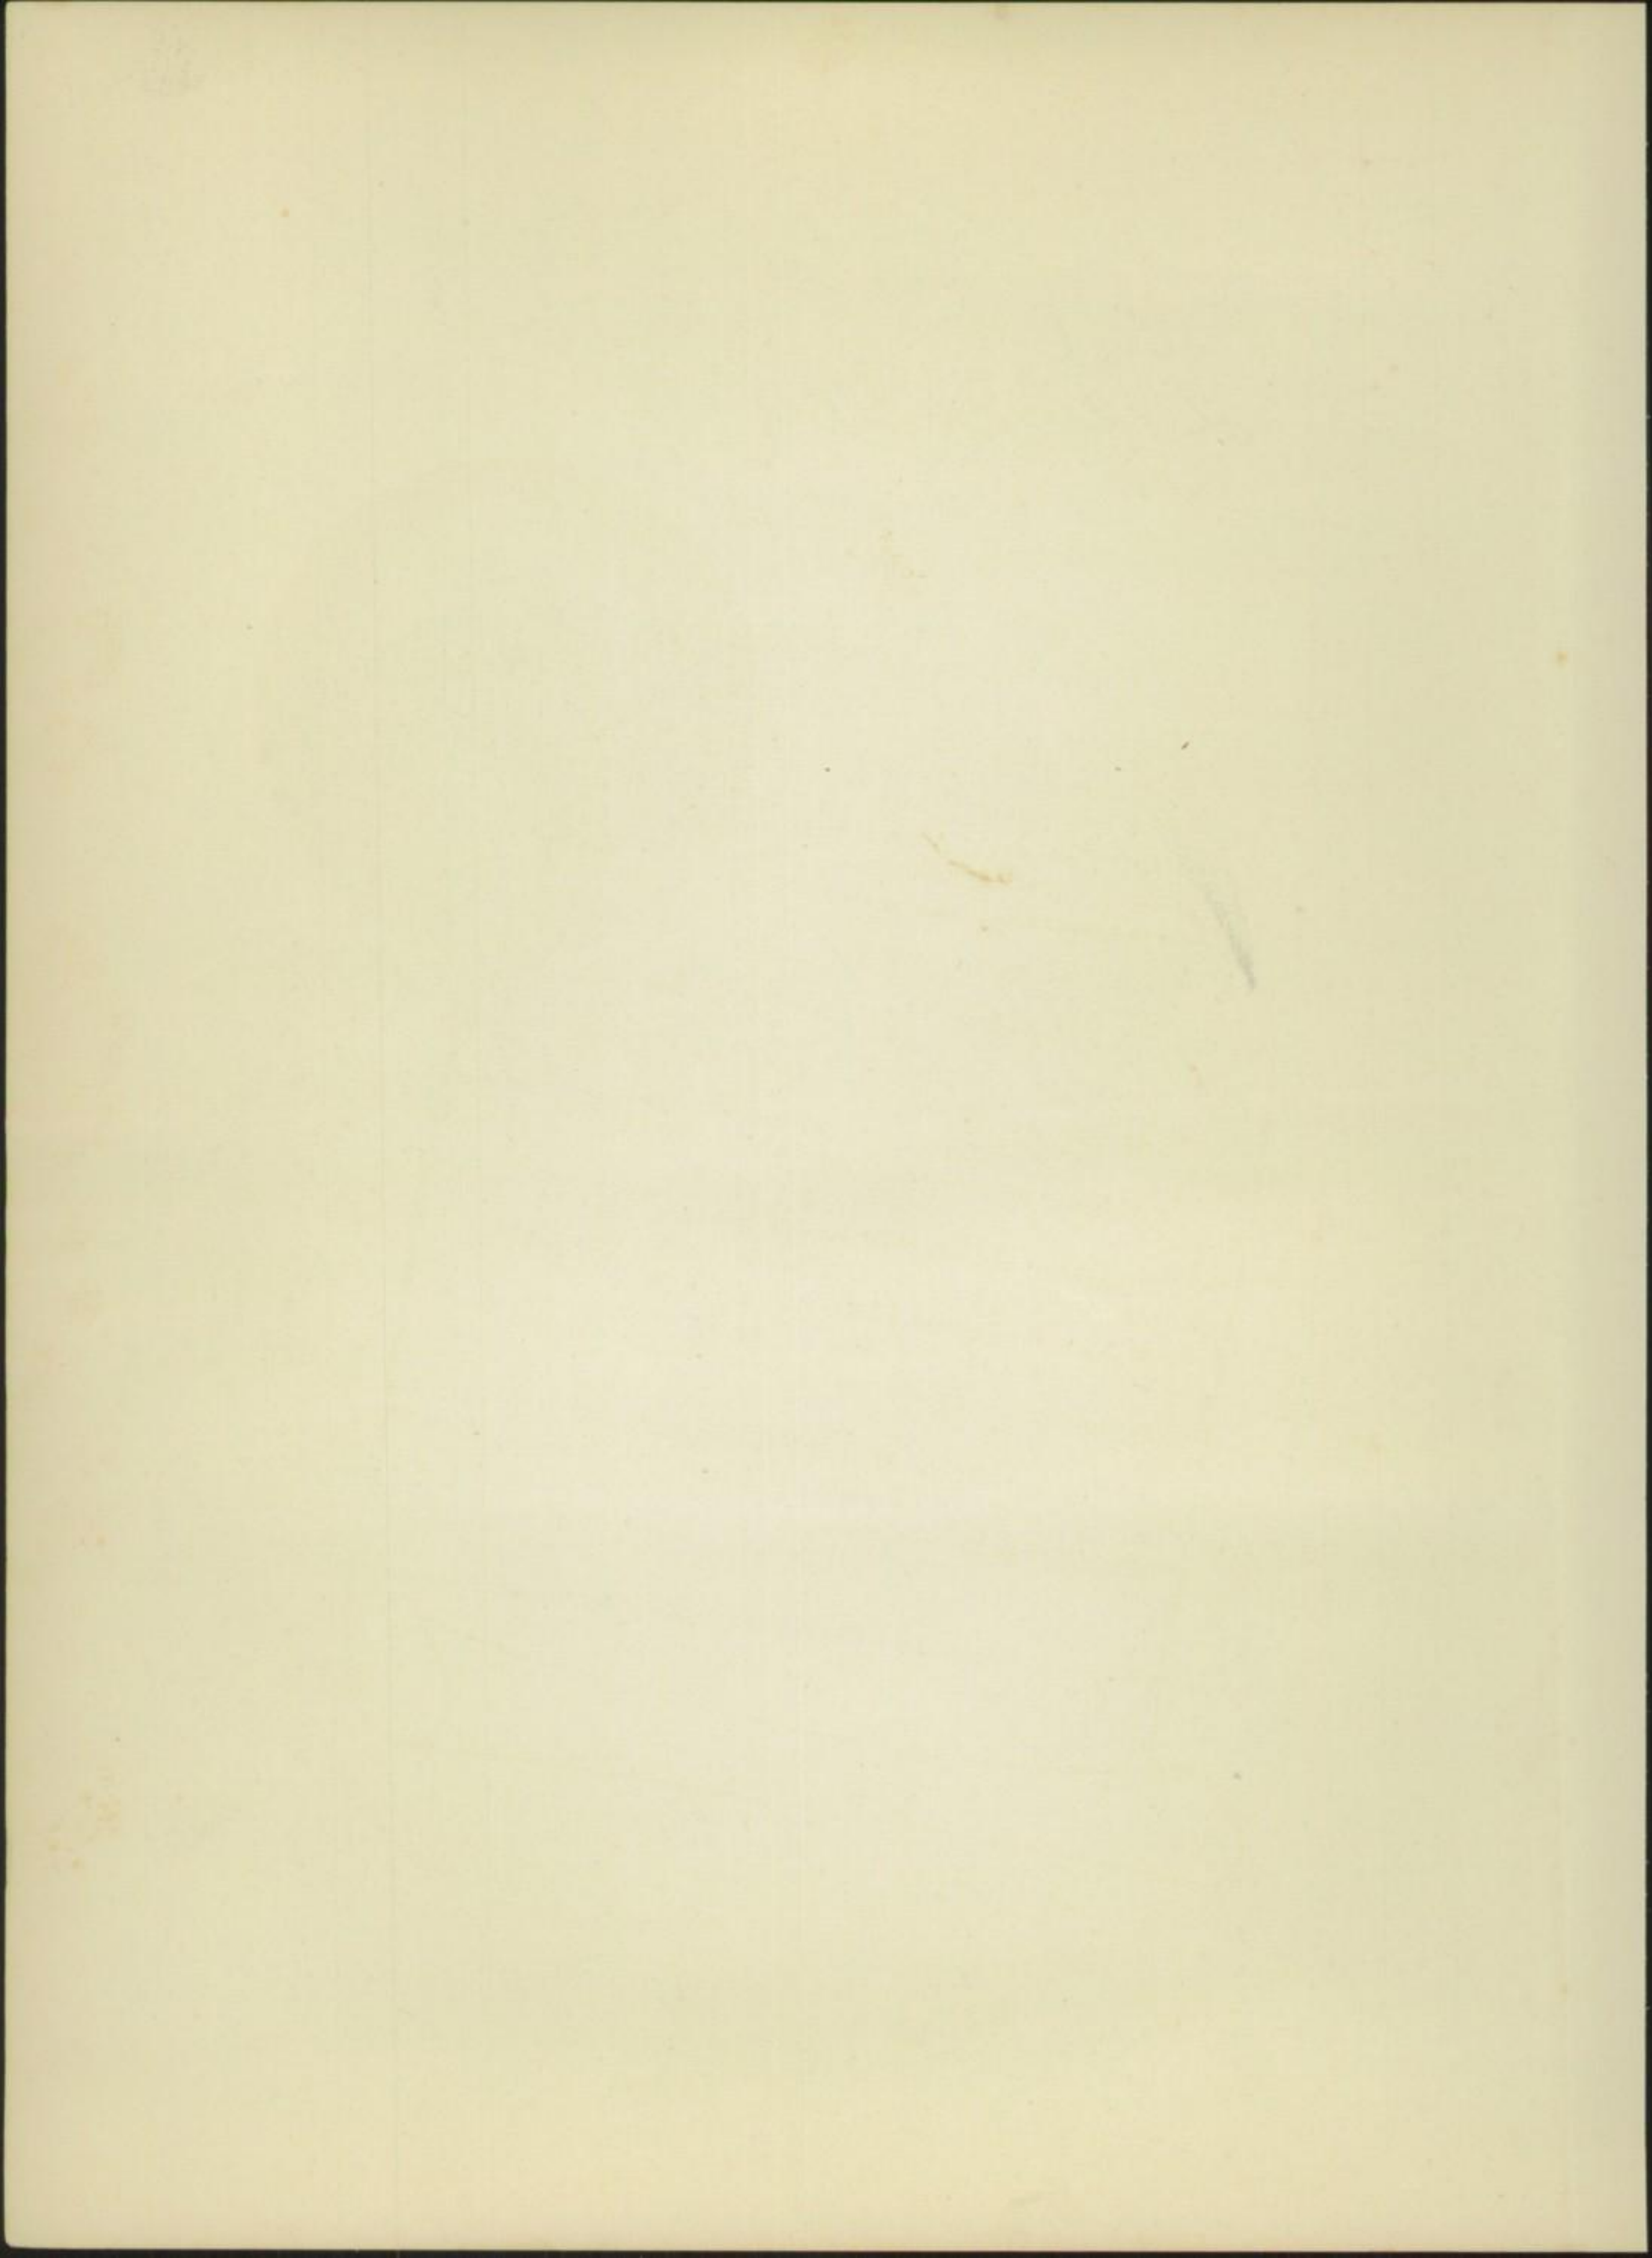

The 1951-52 annual staff has strived to give you some of the important events and people that happen around our school. We hope that in years to come you will look back and remember the days when you were a student of Bushnell High School.

We take this opportunity to sincerely thank the members of the faculty and the student body who so willingly helped with the 1951-52 GATOR.

Dedication

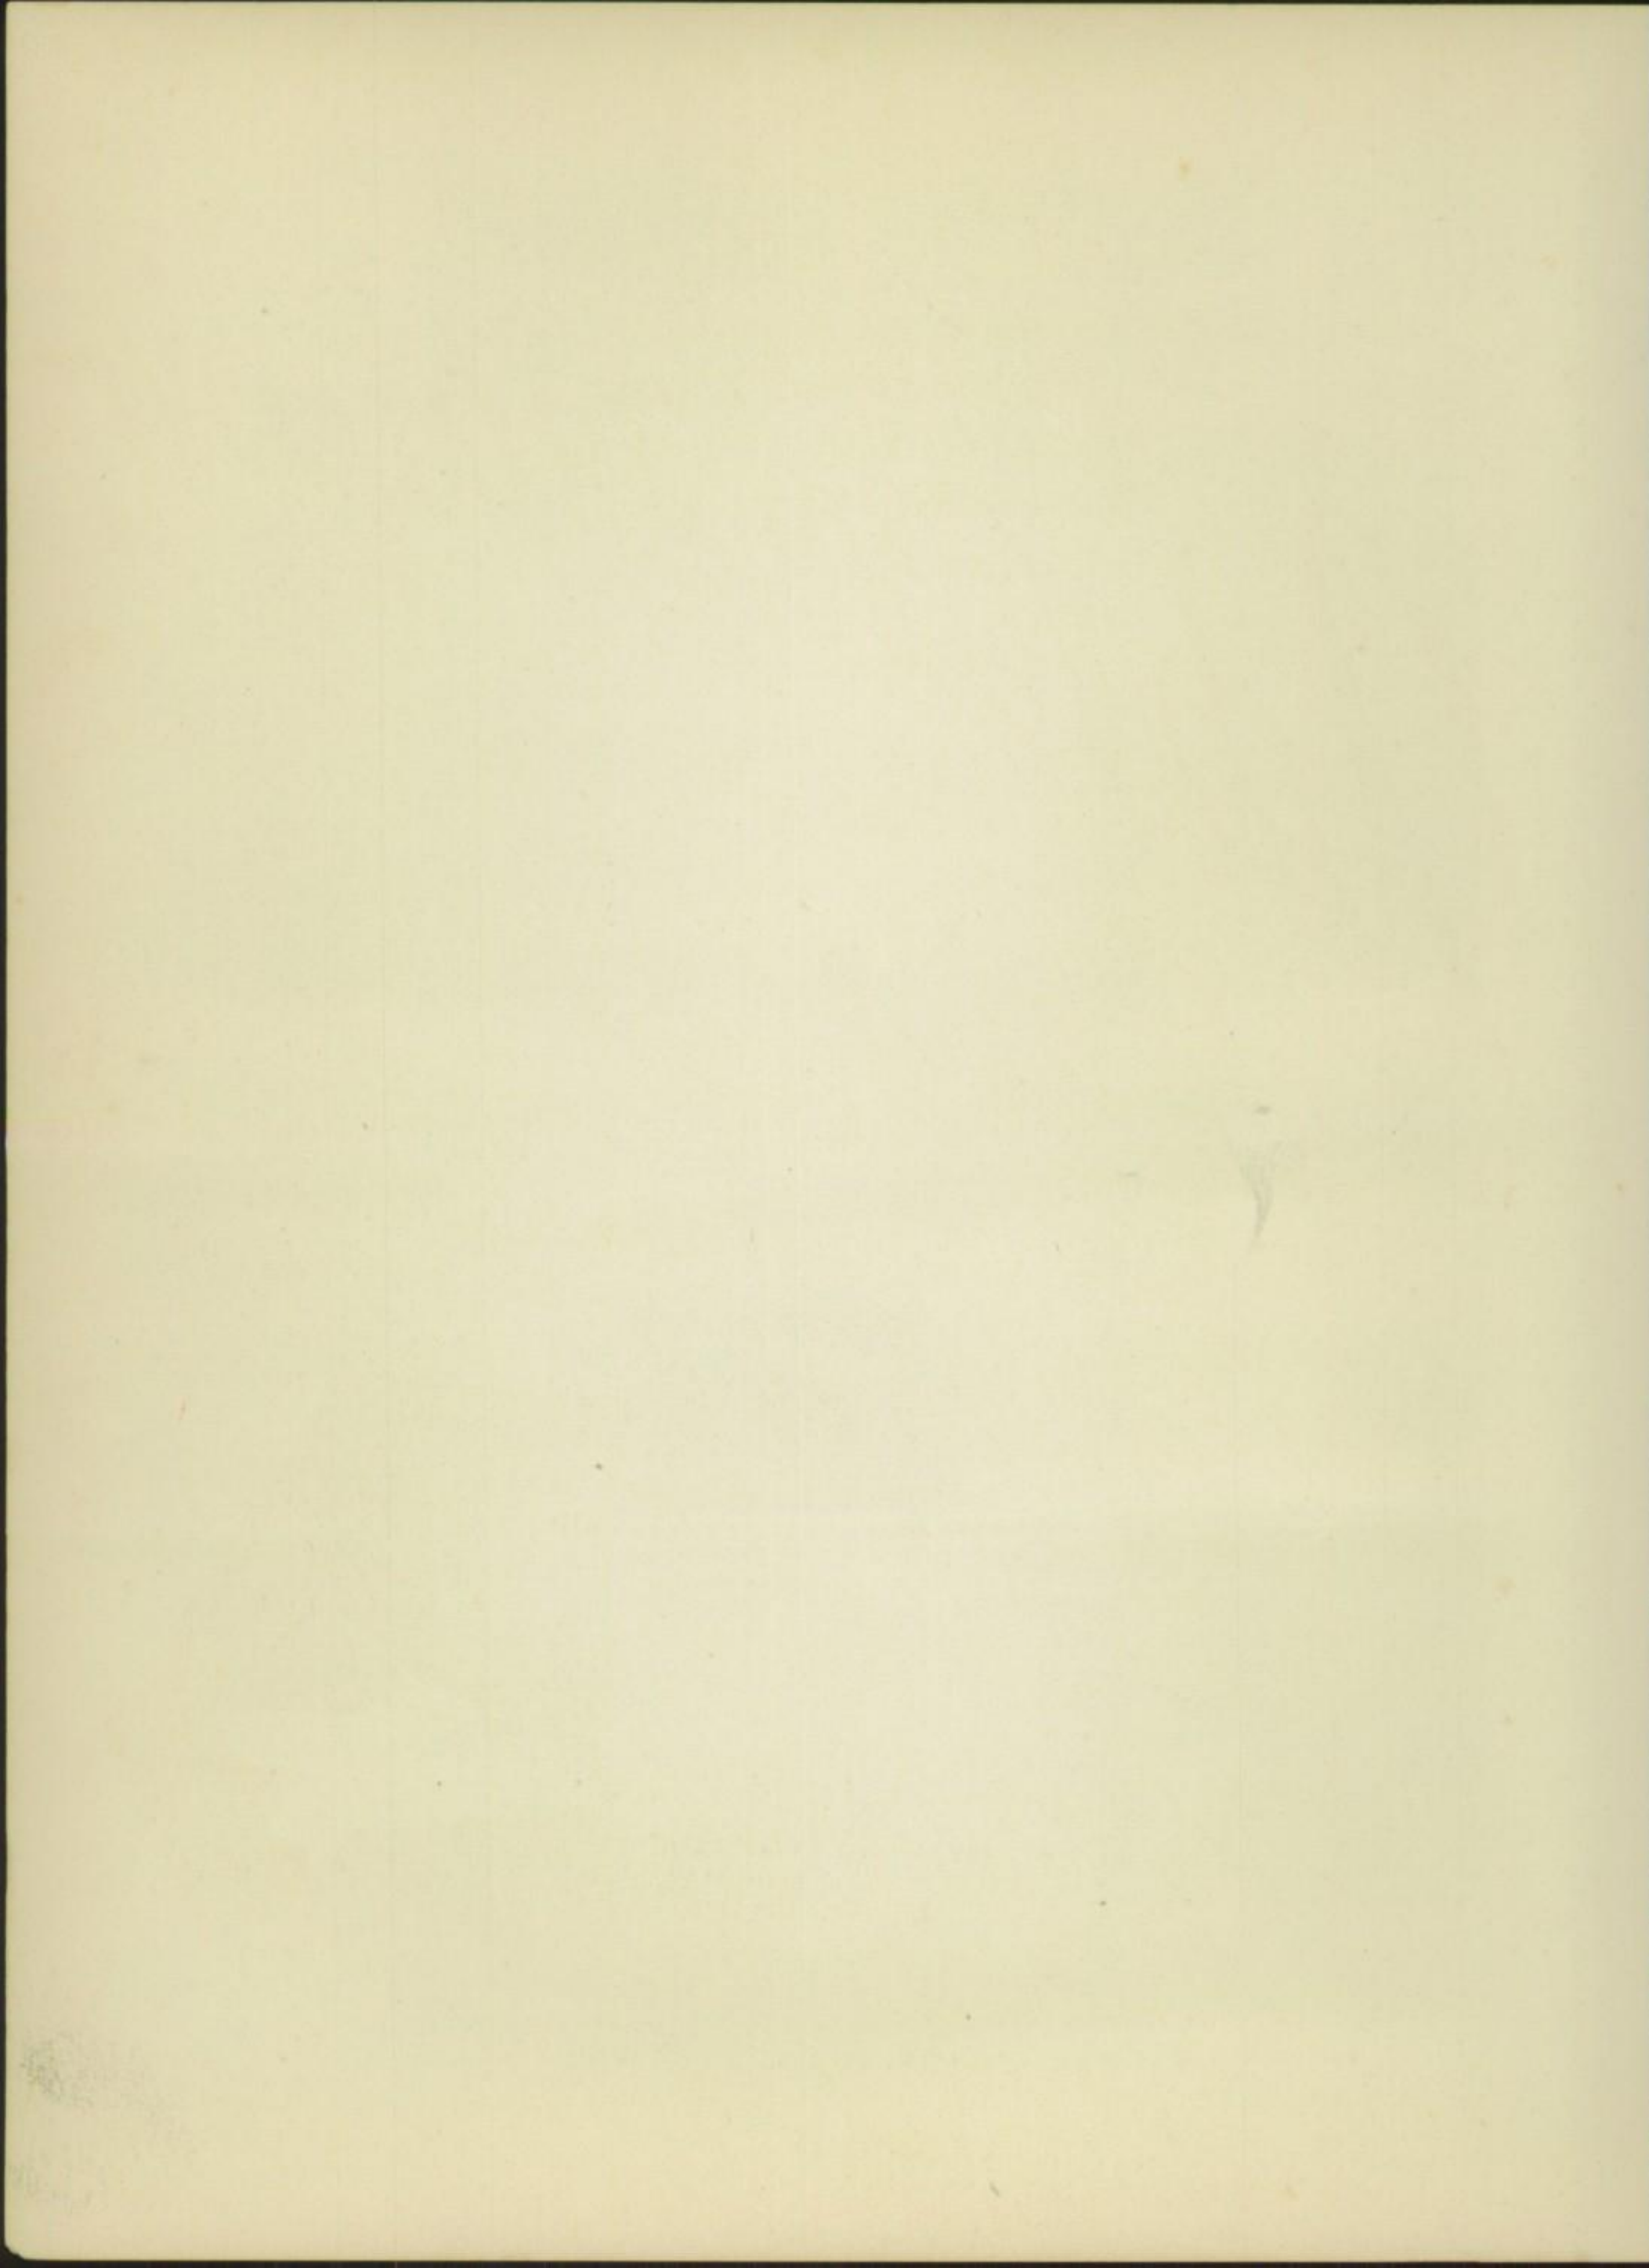

We, the Senior Class of 1951 and 1952 proudly dedicate this edition of the Gator to Mrs. Lillian Potter in appreciation for her years of service in the Bushnell High School; for her friendship and understanding; for her rare ability to interest students in the study of English and to thank her for her untiring enthusiasm.

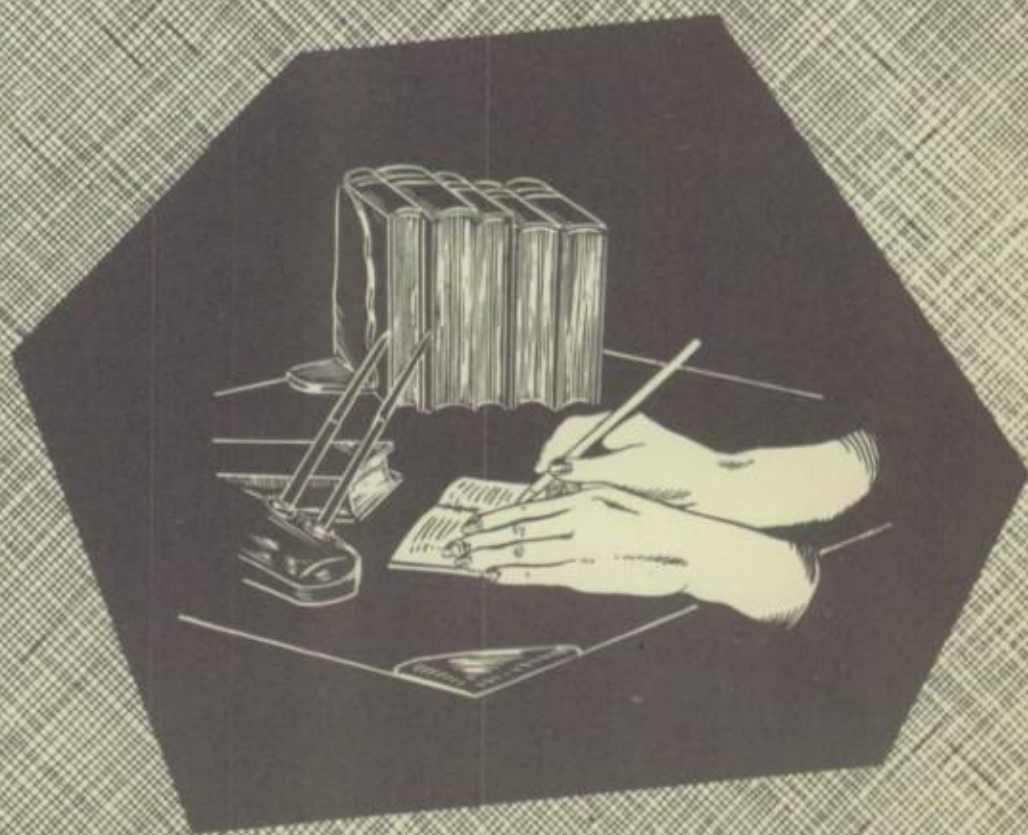

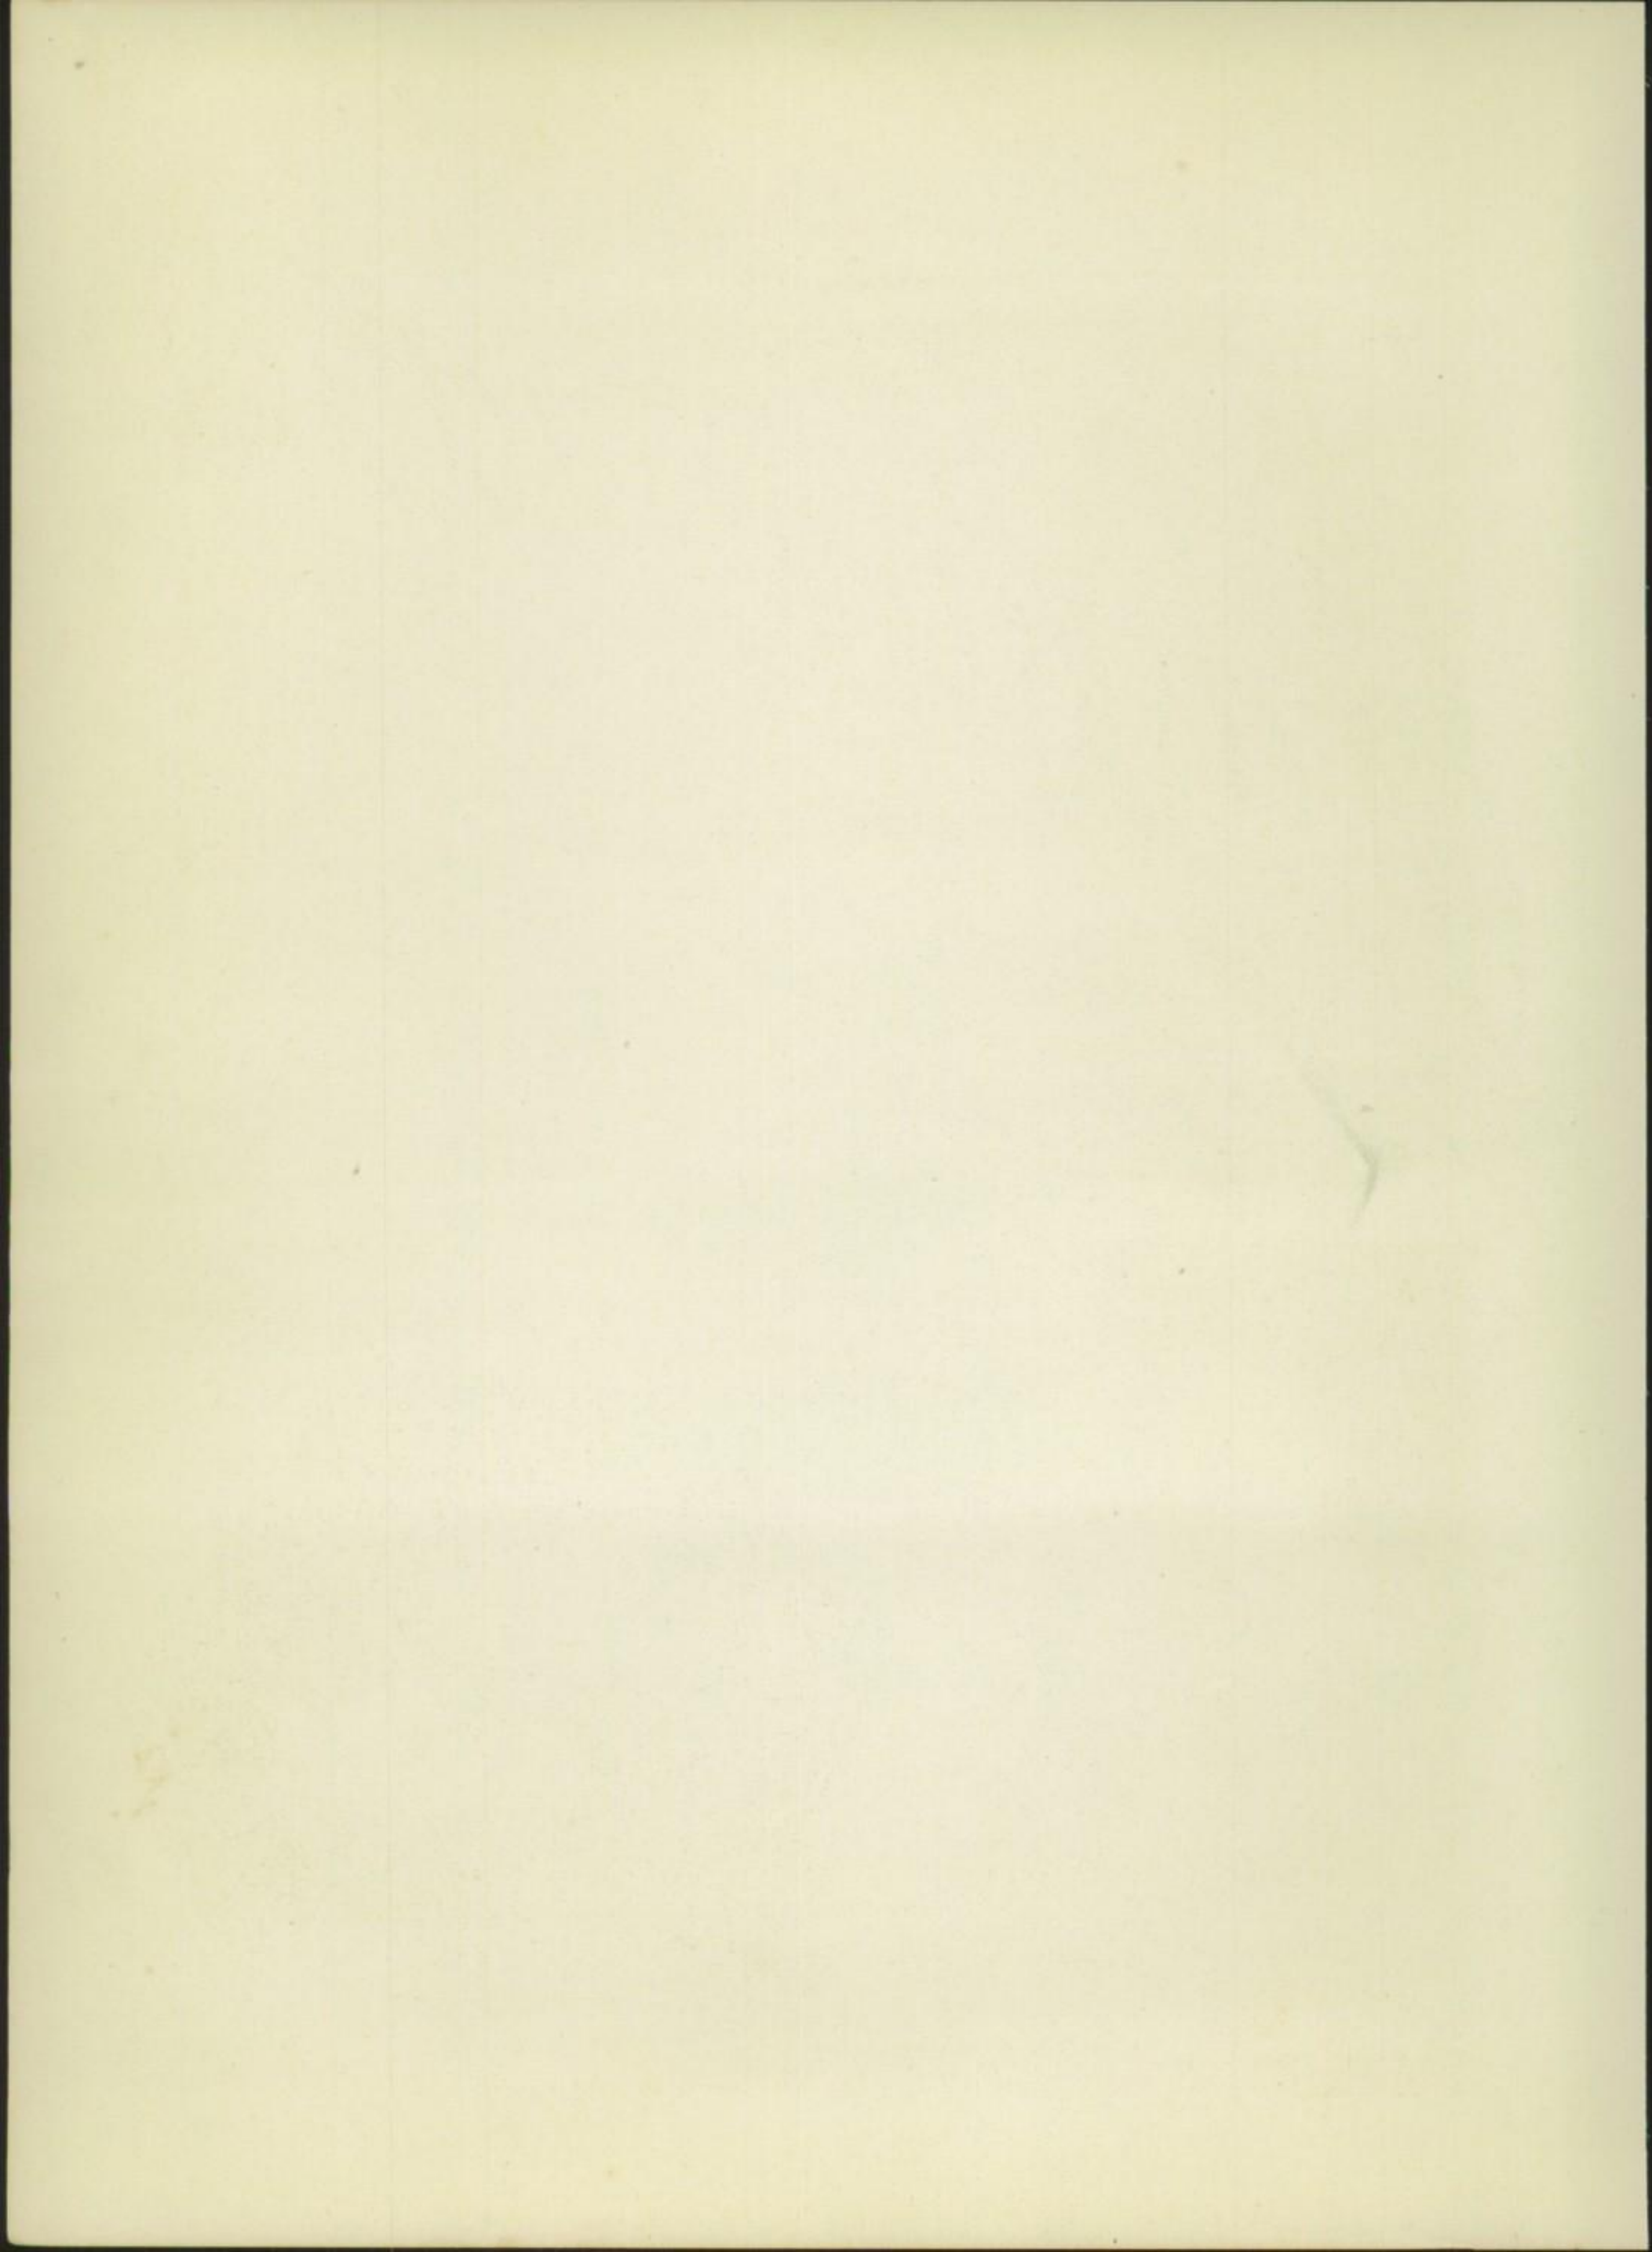

Seated, left to right: Vera Connell, Gail Minton, Charlotte Center, Barbara Woolf, Joan Richey, Jerry Sellers. Standing, left to right: Faith Driggers, Gracie Padgett, Betty Sparkman, Betty Anne Beville, Mr. Moore, Sponsor.

Principal's Message

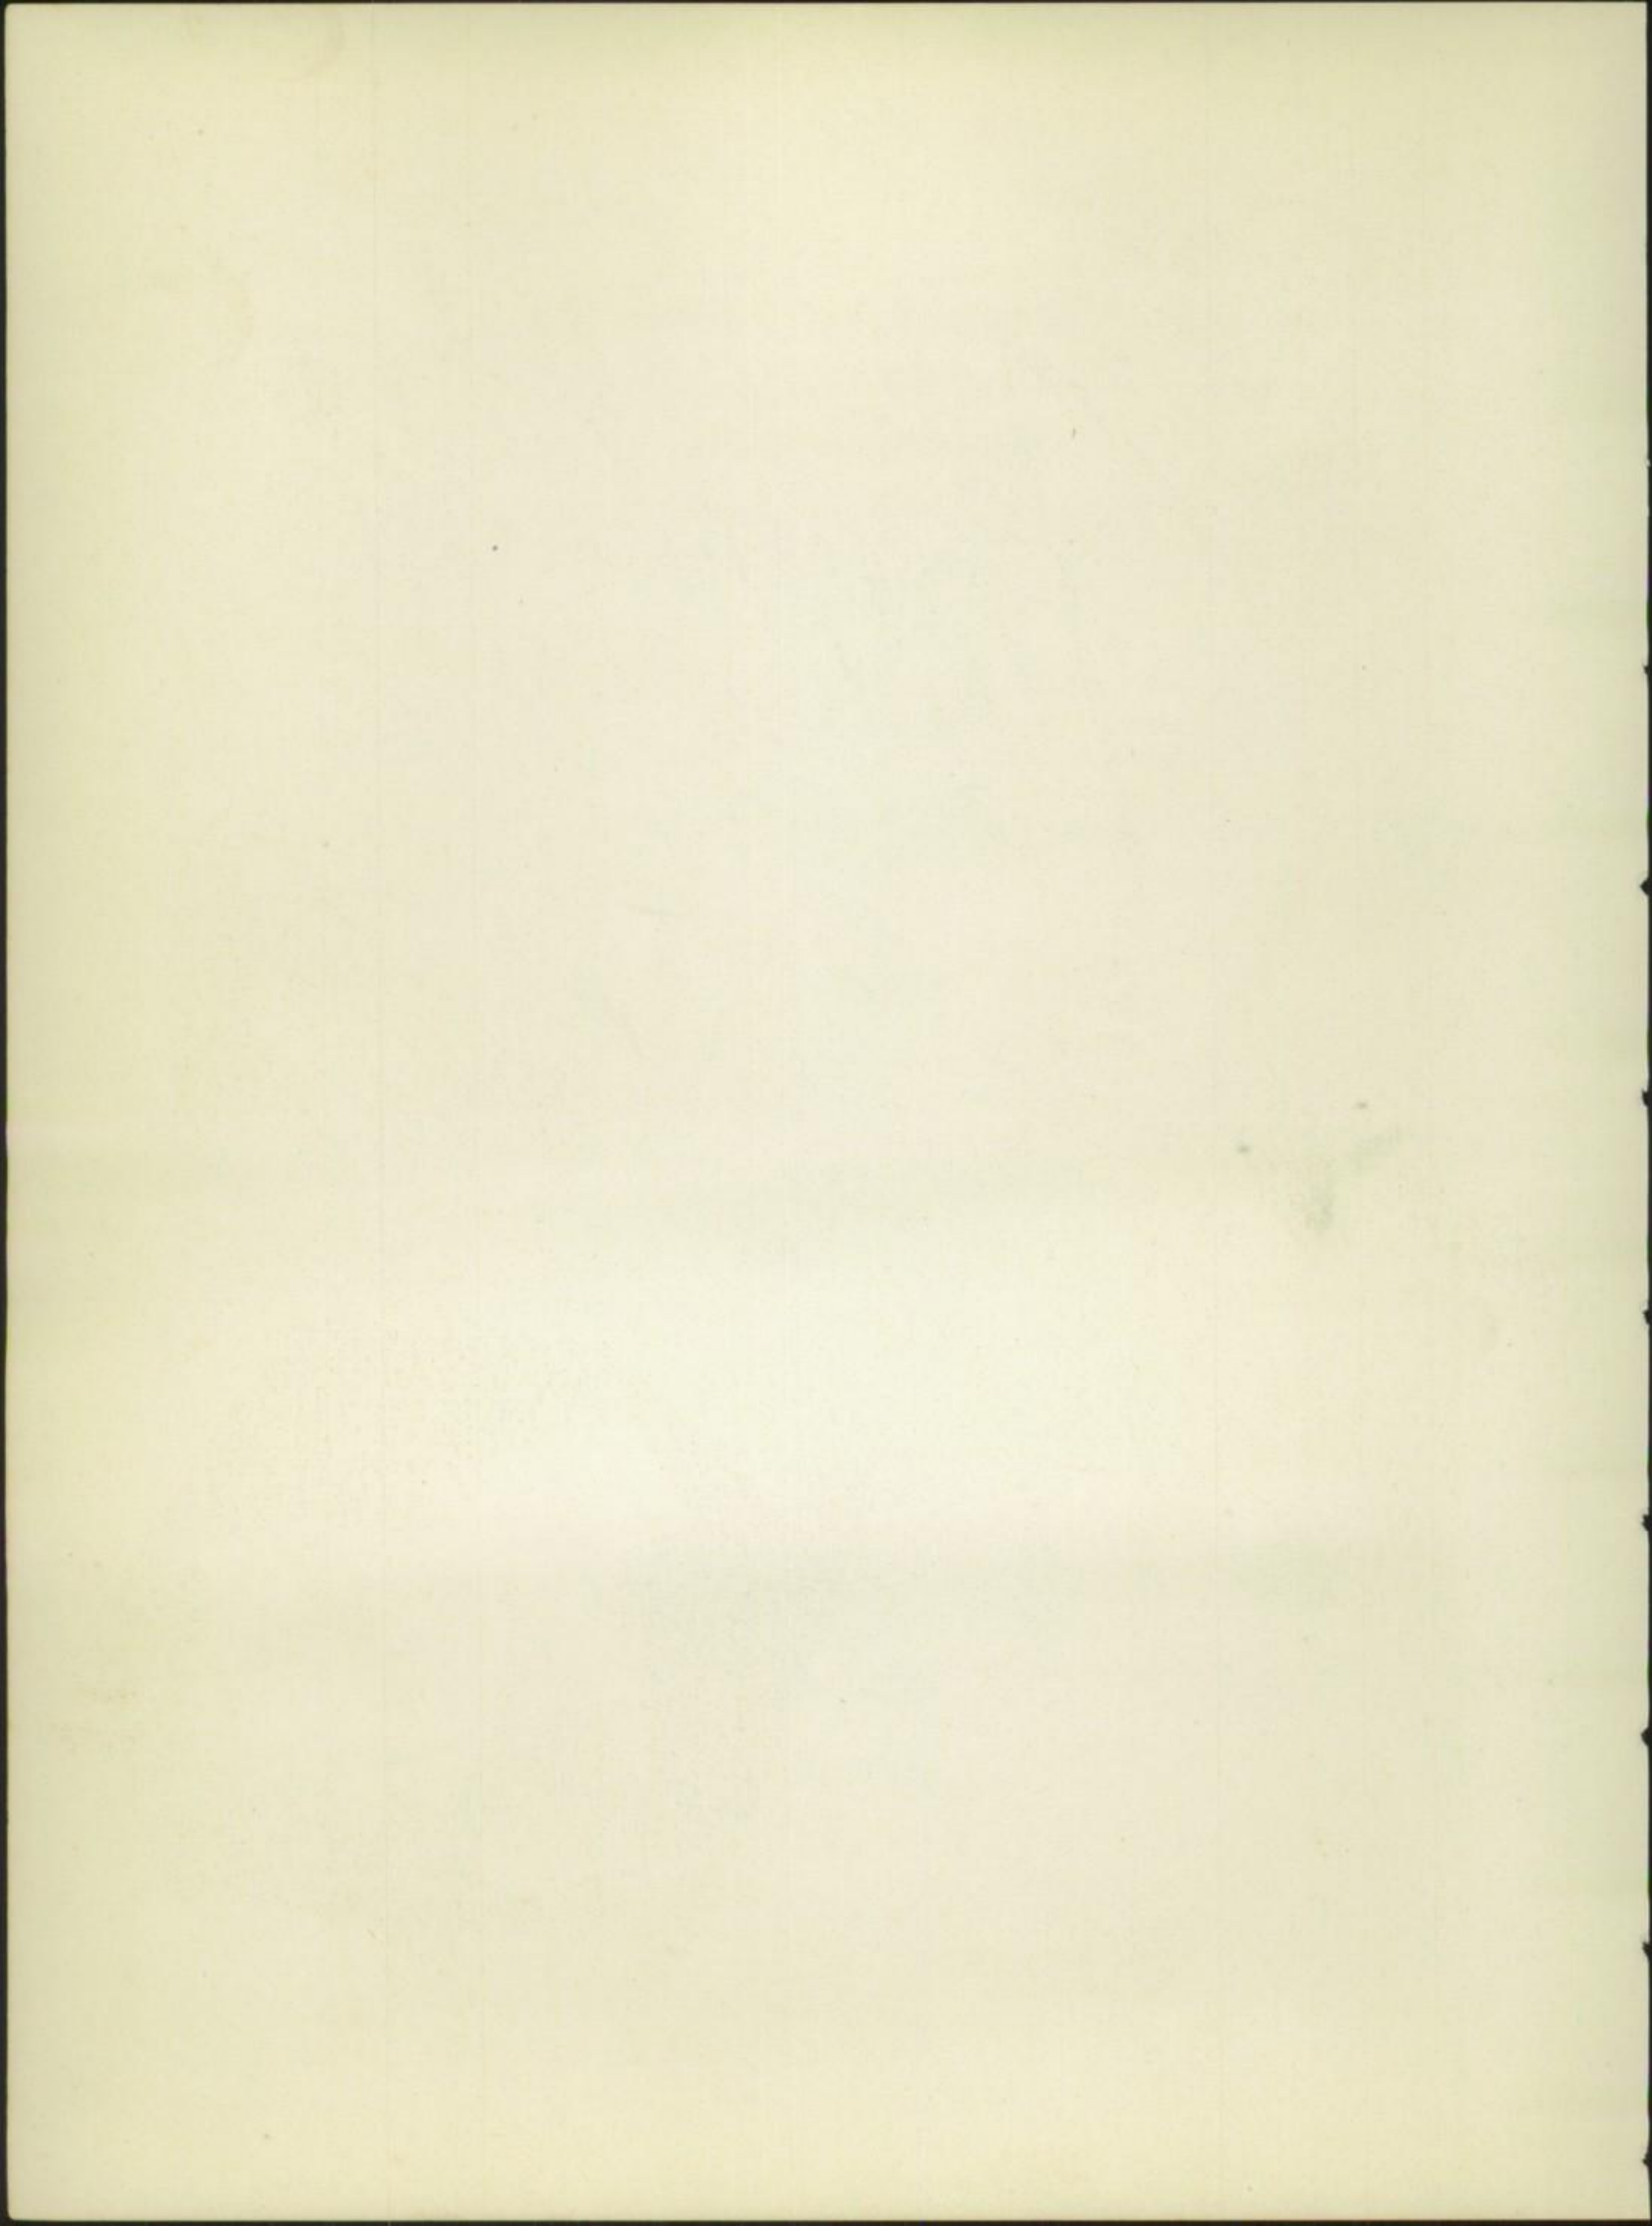

Life is composed of many elements. Each must exist in the right ratio in order that life may be well rounded. Everyone should be prepared to work efficiently in order that he may earn a livelihood. We believe that education should reconstruct and reorganize experience which will increase one's ability to direct the course of subsequent experience.

I wish to commend the Annual Staff for their efforts to summarize and interpret the educational policies and features of our school. Emphasis on our aims is timely and it may prove to be not only a reflector of our school life and community in general.

Activities

PARENT-TEACHERS ASSOCIATION

The Bushnell Parent-Teacher Association congratulates the members of the Senior Class and extends to them every good wish for the best of everything in the years that lie before them.

In the way of accomplishments this year the PTA was glad to have made it possible for the school to purchase new band uniforms and to have sponsored a girl to Girls' State as well as the dental clinic. The PTA also furnished an additional amount of silverware for the new school lunch room.

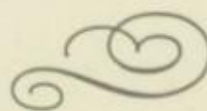

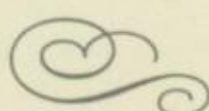

The co-operation of school officials, PTA members and the many friends of the Bushnell School made these projects a matter of reality.

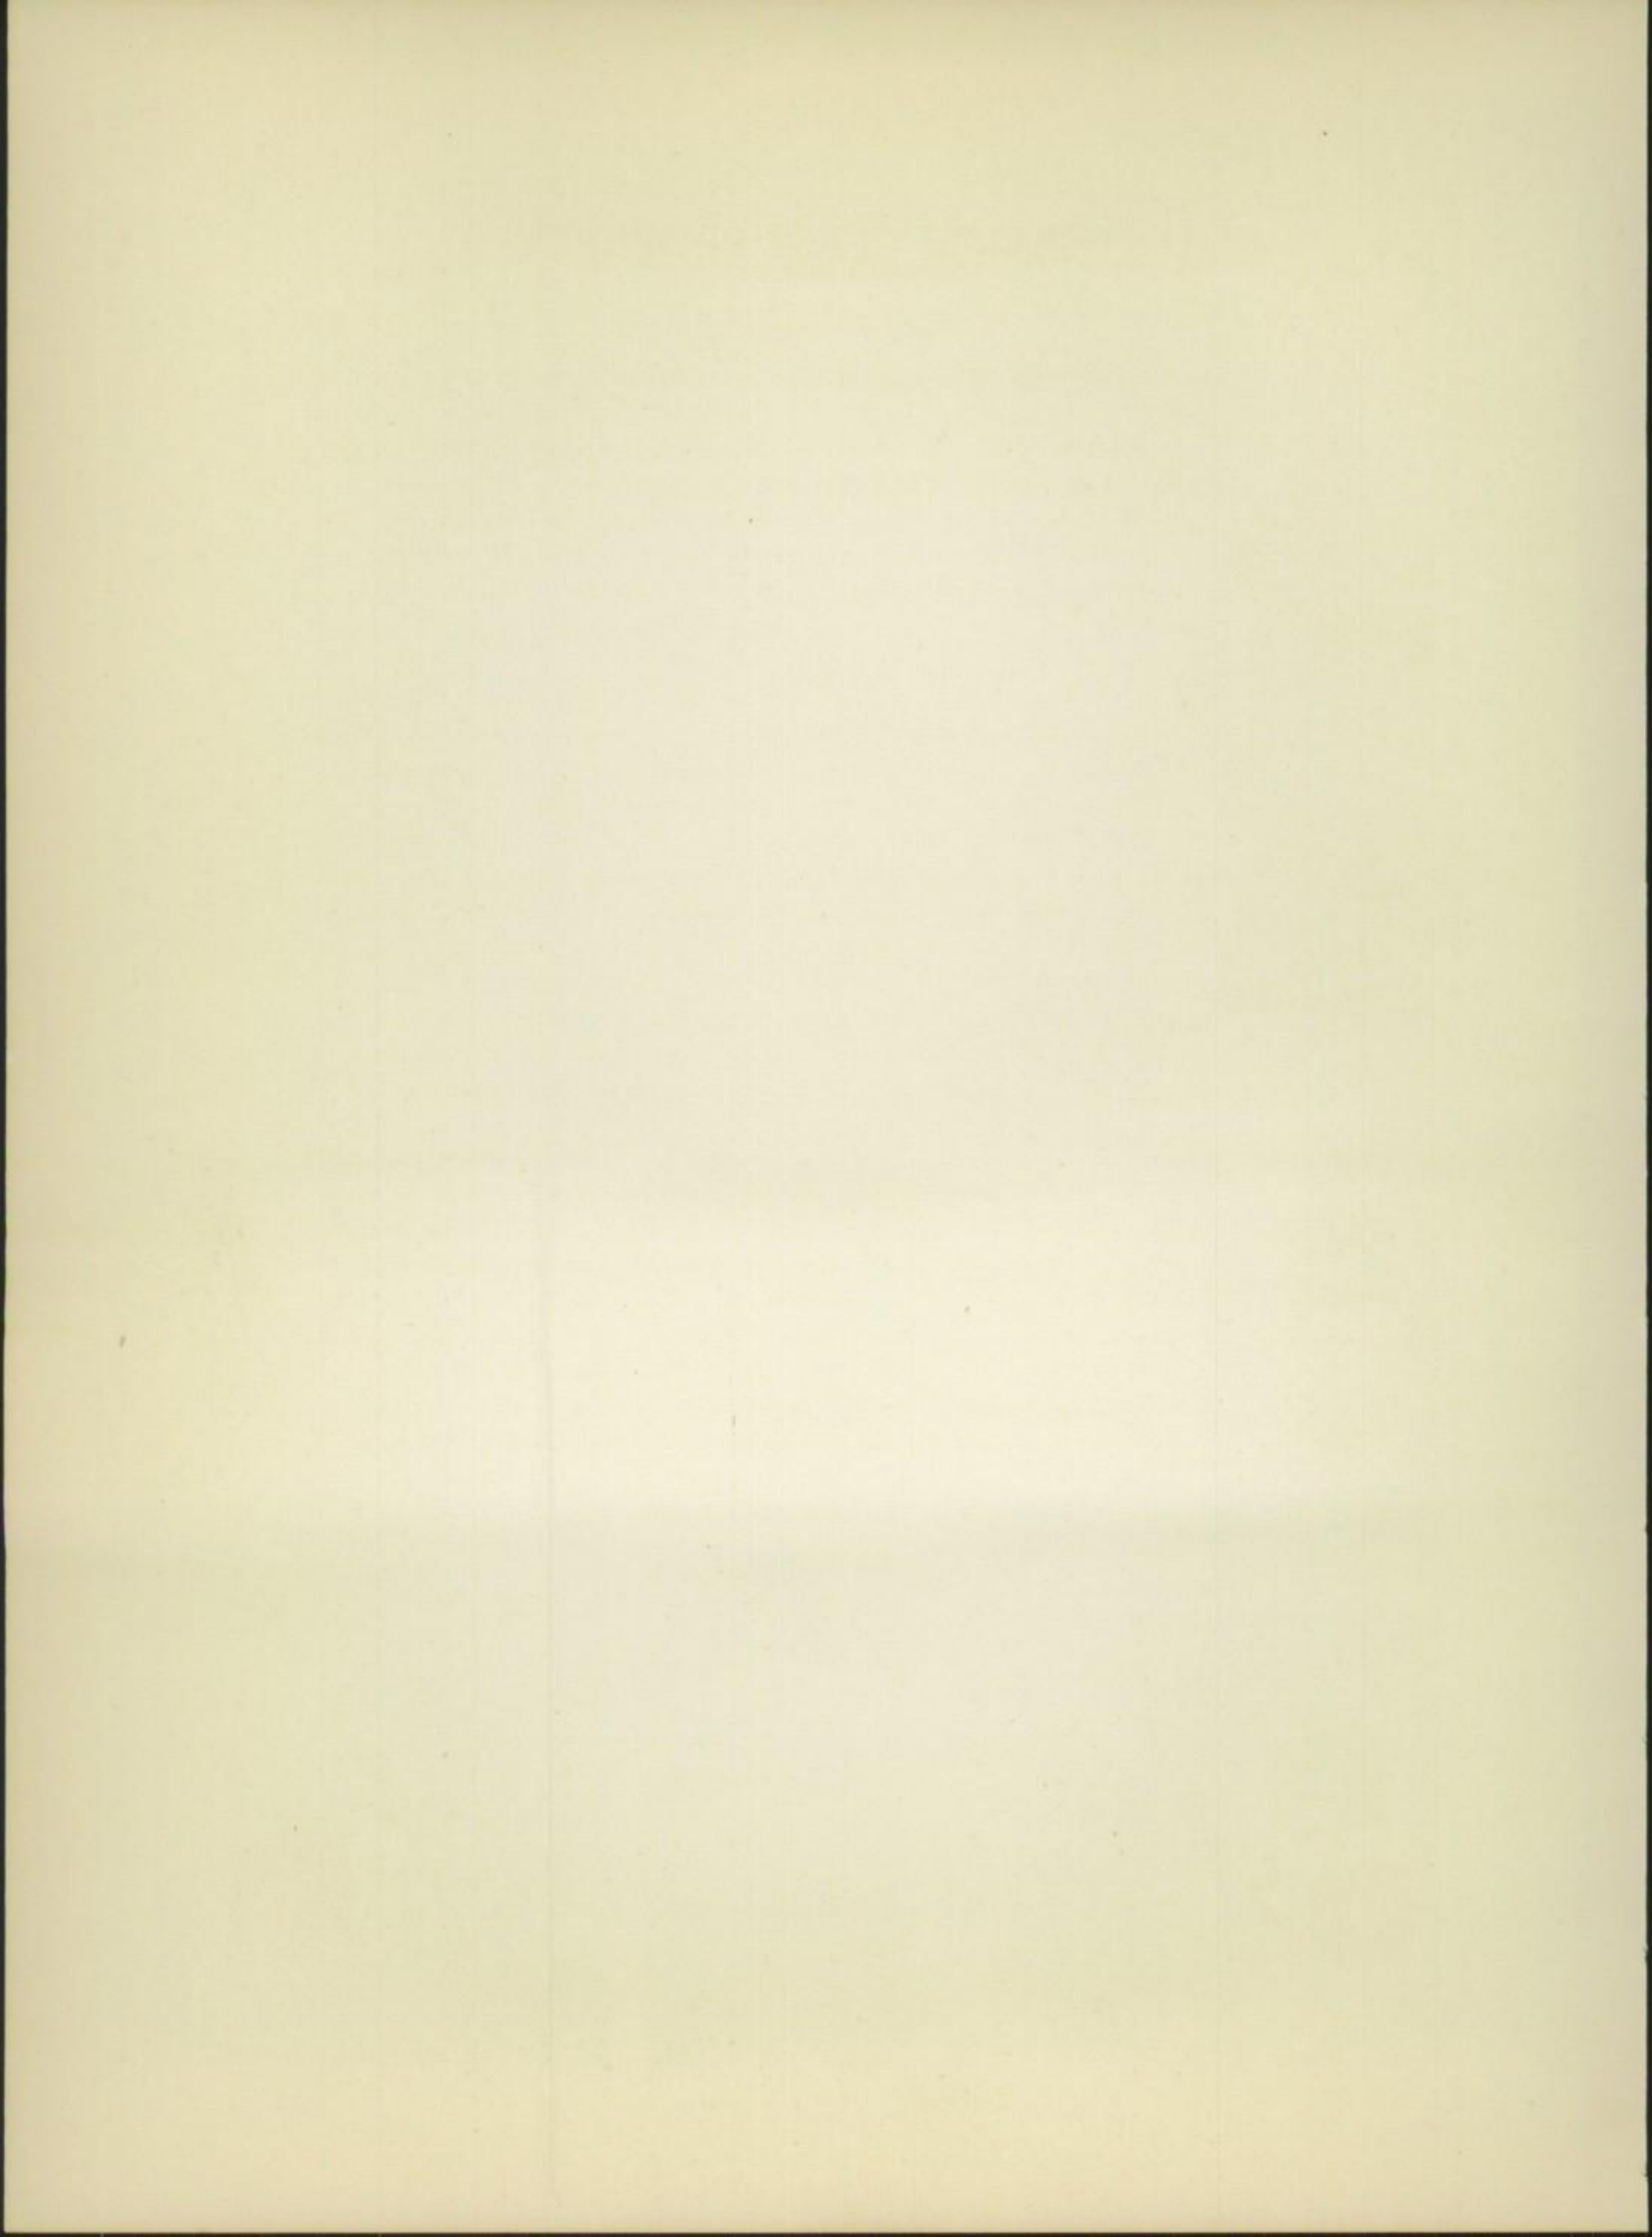

In passing it is timely to observe that this year the Bushnell PTA had its first man president upon the election of C. Burton Marsh, a former student of B. H. S., who graduated in the class of 1933.

May the PTA continue to grow in its contributions to the school system.

SENIOR CLASS PROPHECY

As everyone's curiosity is aroused today by many things in this year of 1962, mine is stirred by the thoughts of my classmates as we graduated in the year 1952. I have decided to take my savings from my piggy bank and take my atomic-powered car to see what some of these beloved classmates are doing and into what varied occupations they have entered. Zoom! I am now 500 miles from the place where I was thinking about these things. Pretty good mileage for an ole jalopy, huh??

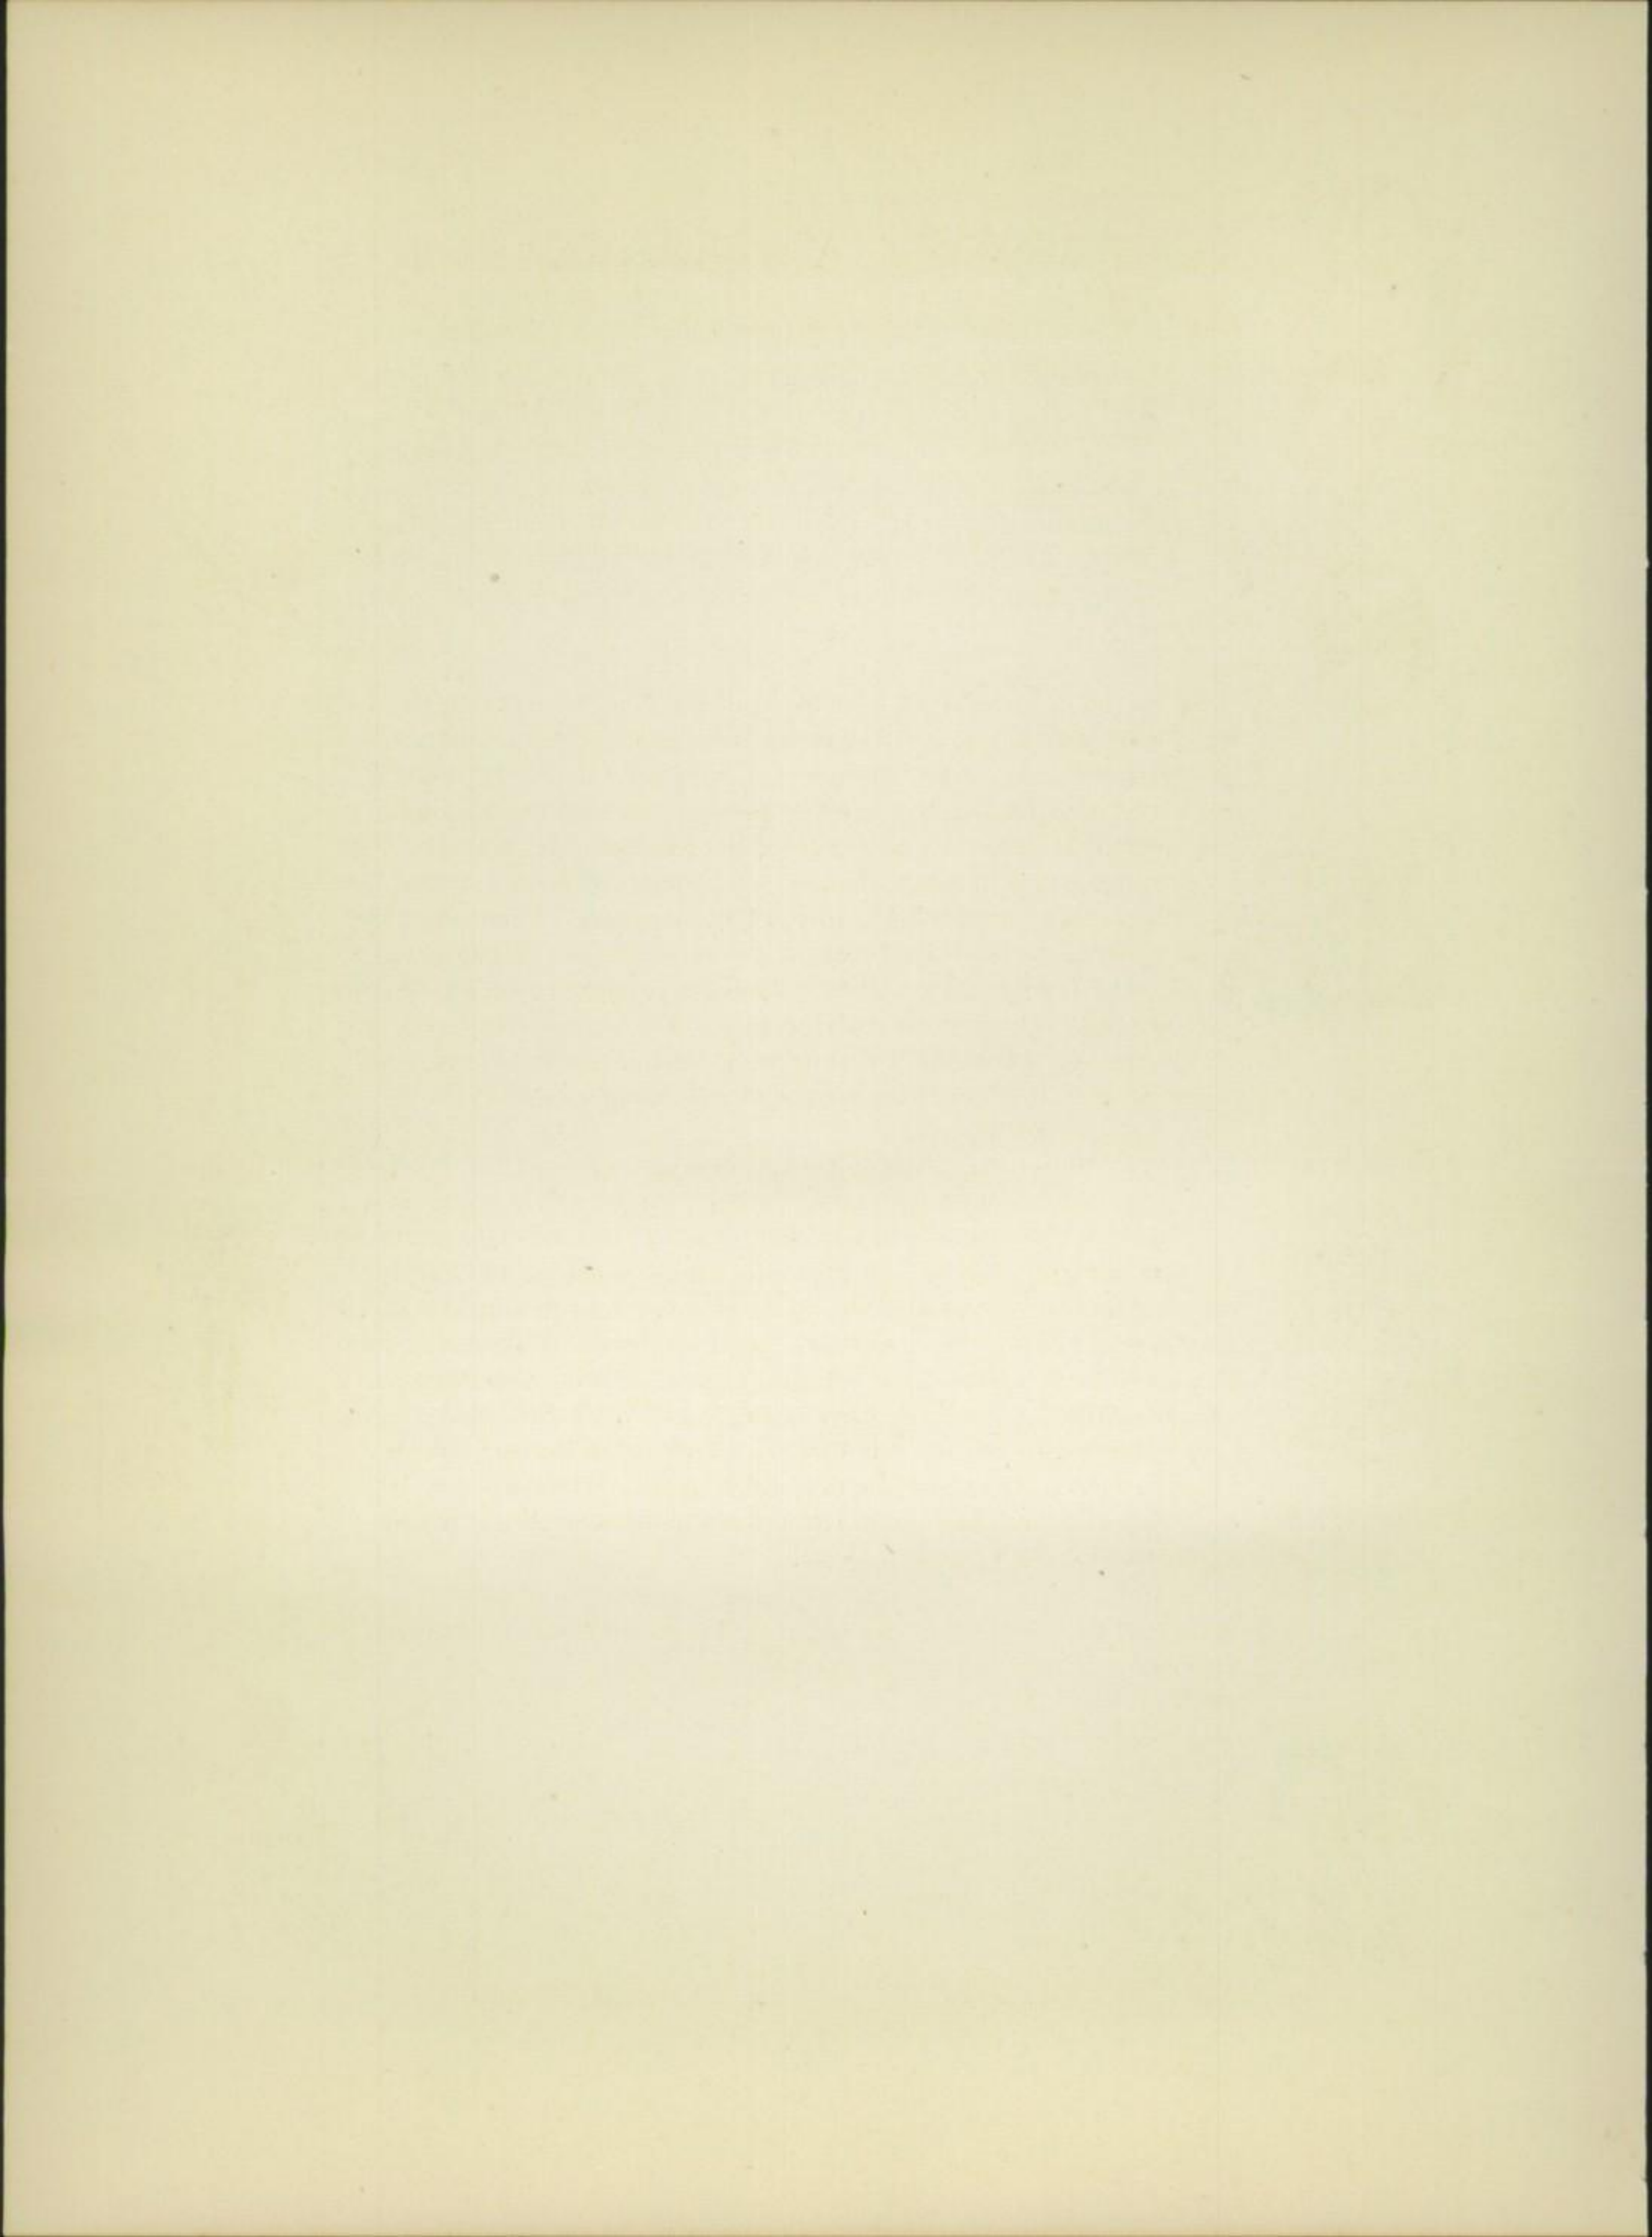

I go to the Indianapolis Speedway and who do I see entering themselves in the National Race as Hot Rod drivers--none other than James "Whiz" Williams and Charles "Speedy" Lamb. Good Luck Ya Daredevils! Aside from racing, Mr. Lamb is also the truant officer for a local school... Chrash! Boom! Don't be alarmed, it's just an explosion as the result of Chemist Allen Perry's concoction of some unknown weed killer. Maybe someday it will kill weeds instead of everything but weeds. Have you read about the casualties in the newspaper???... Sniff! I smell smoke, do you? Don't get worried though because it's just Ann Veal, the new secretary to General Eisenhower, trying to make a good first impression by typing so fast that the keys on the typewriter are smoking! She got the job though--it's no wonder!

Jerry Sellers, star coach at Tech, Kentucky, and other leading colleges in the nation during the past few years, comes back to his home state this spring to succeed Bob Woodruff as Coach of the "Fighting University of Florida Gators."... Miss Gail Minton is now an interpreter (a guide for foreign passengers and translator) for the Pan American Airways in Miami. She now speaks English, French, Spanish and German fluently, so if any of you happen to see her and she doesn't speak, it is because she has to change languages and switch back to English... Give her a minute and she will begin conversing fluently with you AS USUAL... Charlotte Center now designs fashions for Saks Fifth Avenue of New York. Her fashions are being worn throughout the nation by the top women of style.

LORD-REID-and-GATES, Inc., staff of capable (yes, capable of killing your pets) veterinarians of Florida, are now open for business. Get rid of your pets today!!... David Padgett is now an up and coming fruit inspector for the Citrus Commission... As I pass the bus terminal I see Barbara Woolf boarding a bus, but after a moment's hesitation she gets off. After she had done this several times I resorted to asking the reason for her peculiar actions. She replied, "I just can't make up my mind about going to Korea!" When I left she was still puzzled over the question. Has anyone seen her around lately?

While visiting with a psychologist friend one day in his office I happened to see two of my classmates in his office, Gracie Padgett and Vera Connell. I knew that I had come to give him the regards of my family, but I began to wonder why they were there. They had sound minds in high school (I thought), but it is VERY POSSIBLE that that they could have gone batty since their graduation. They kept rushing around the room and I thought that they were really in serious condition. My fear was finally RELIEVED when my doctor friend introduced them as his nurses. I was so happy that my assumptions were wrong, but from that day on I have never had any hope for my doctor friend, as would be my opinion of anyone who would hire those two!!

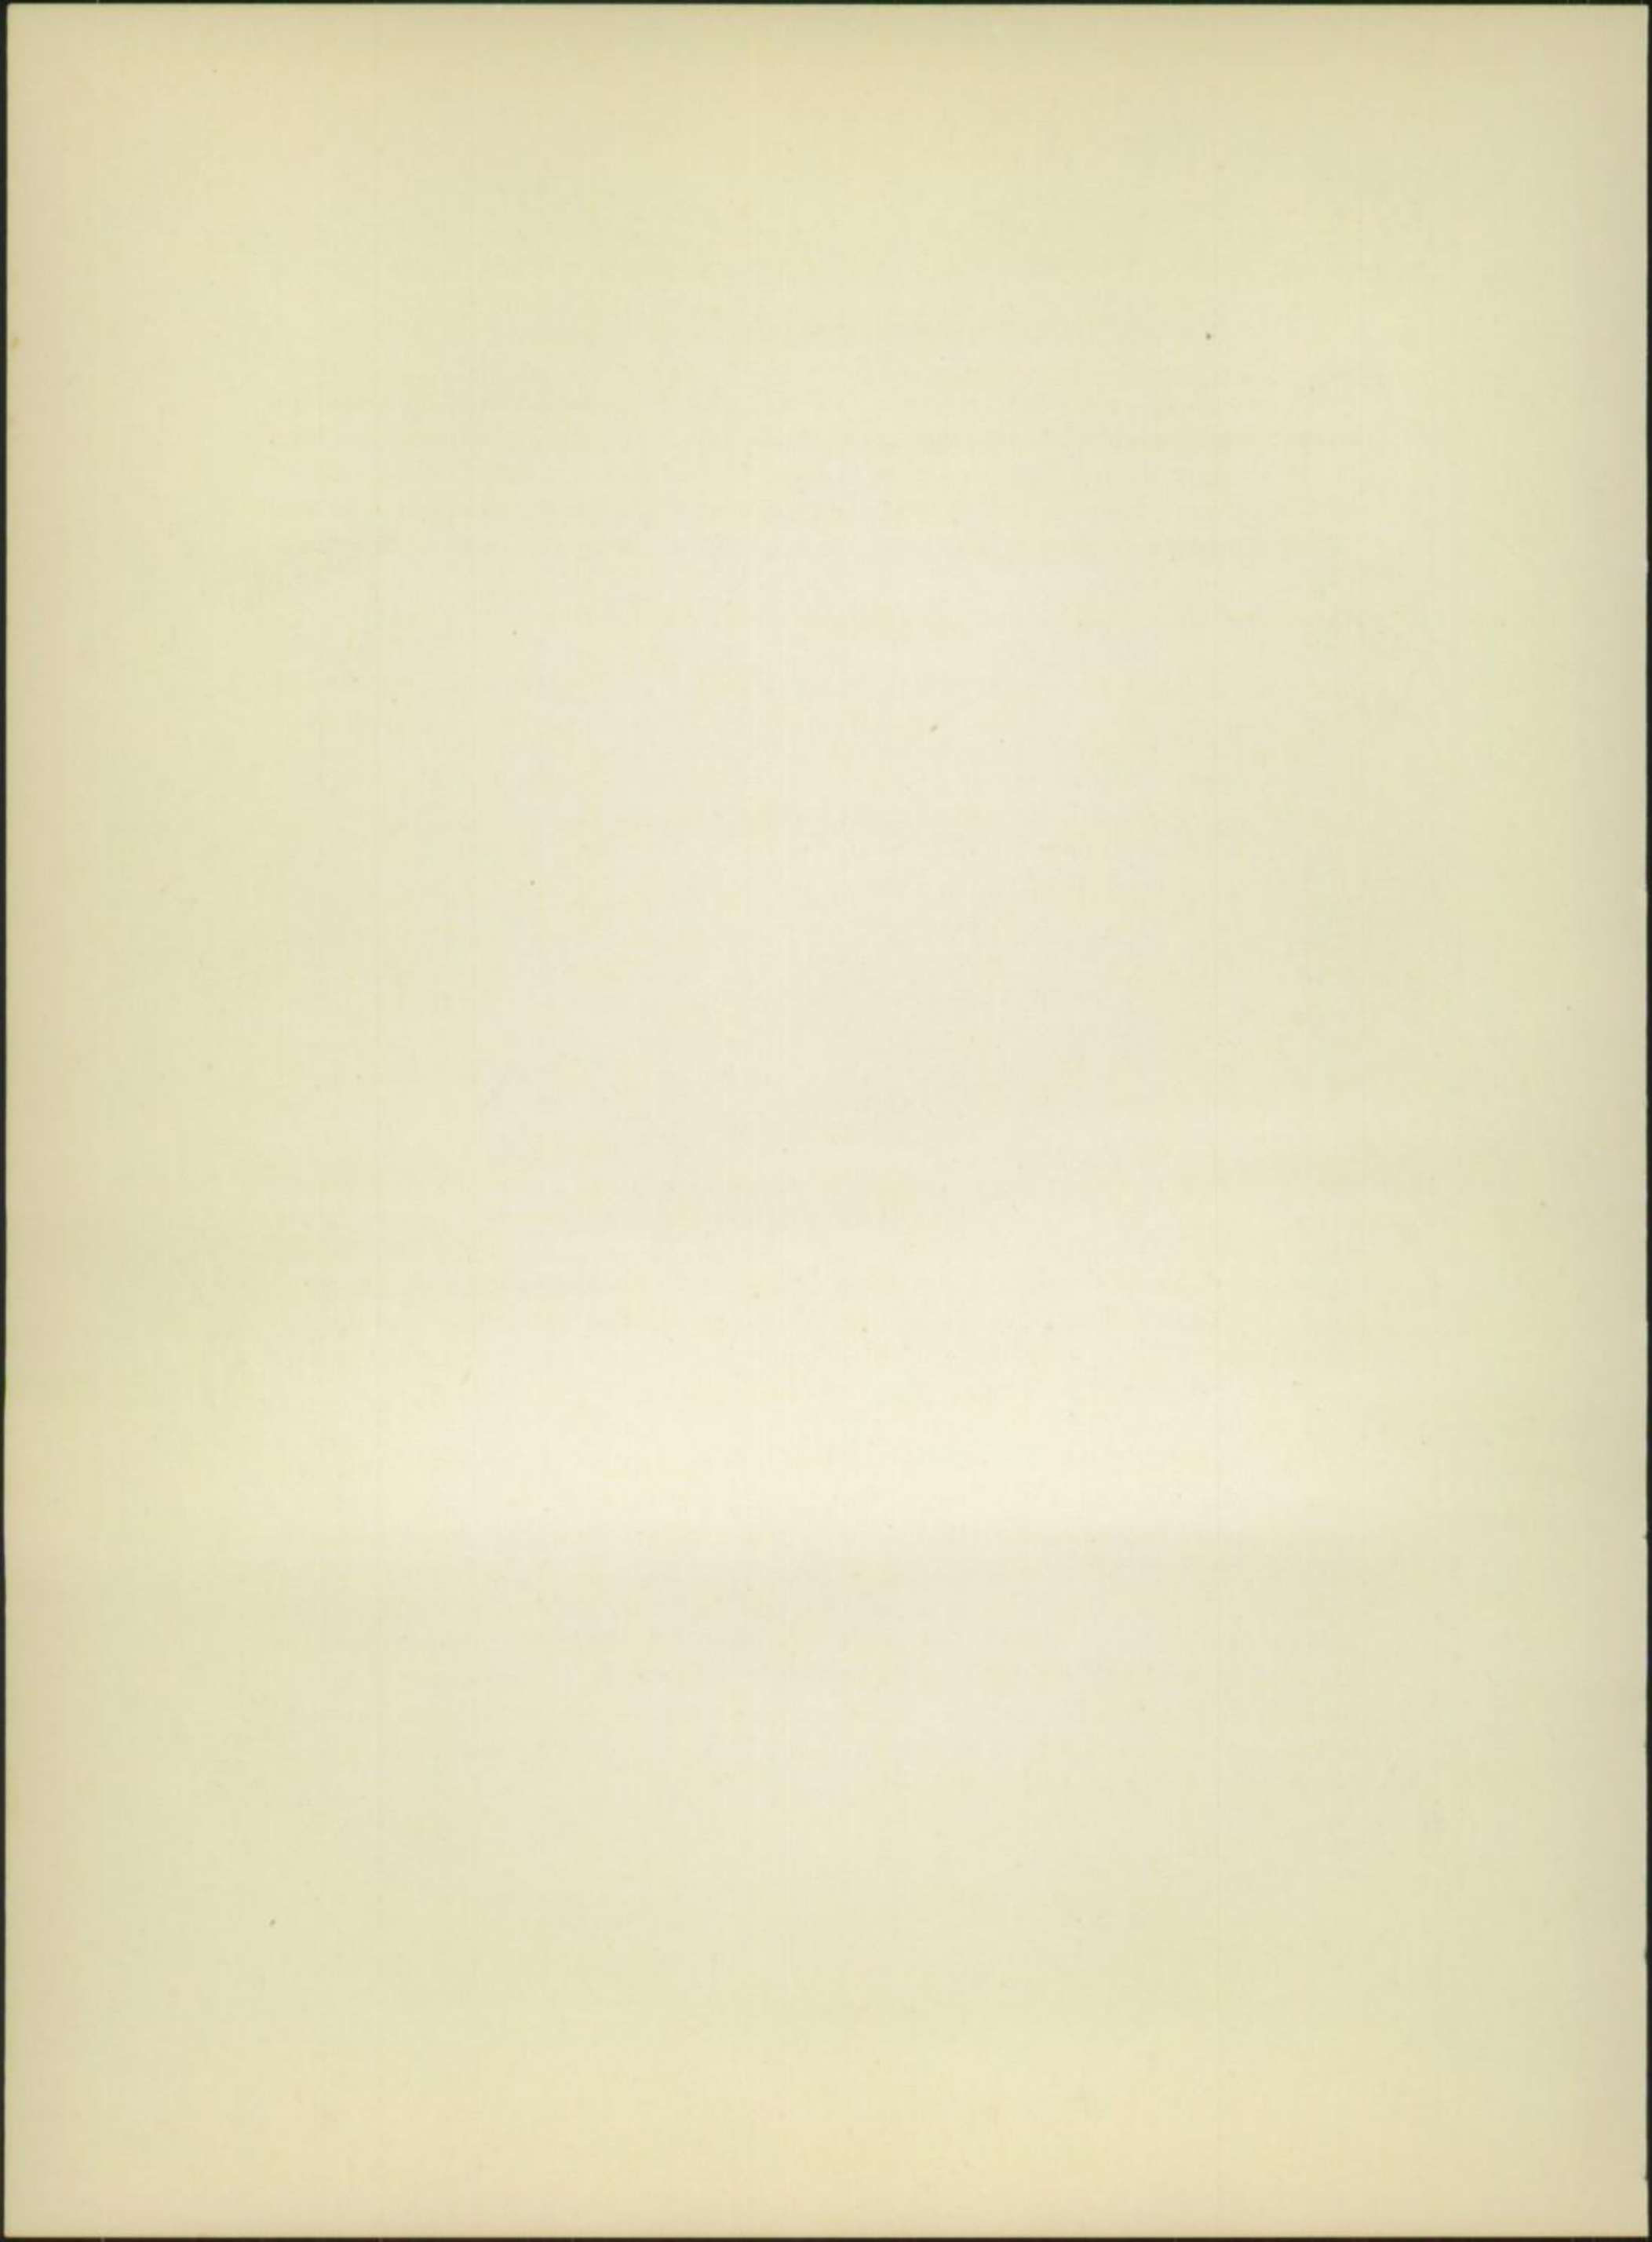

UP! UP! and AWAY... no, not Superman, but Joan Richey and Faith Driggers, airline hostesses for the National Airways... and can you guess who is piloting this plane that carries two of our dearly-loved classmates into the Wild Blue Yonder?? Byron Cassady! Good Bye, Joan and Faith! No, they really are a good trio... Cattleman, Eugene Hamilton, has just bought a ranch in South Texas and intends to settle down and become a real cowboy... J. C. Myles is now a "crackerjack" machinist and has a shop of his own somewhere in the north.

Well, I'll be leaving you now with the pleasant memories of your dear classmates of 1952 and of your good ole' school days.

CLASS HISTORY

As we go to face a new world tomorrow, we take with us the memories of the wonderful times that we have experienced during our school days. The greatest day was way back in '40 when we walked timidly, almost in tears, up the steps of the grammar school building to be greeted by Mrs. Parker. Little "Pinkie" Reid had a pocket full of brother's and sister's report cards... for he contended that without them he couldn't enter school.

The second grade challenged our ability to spell... twenty-five words a week!

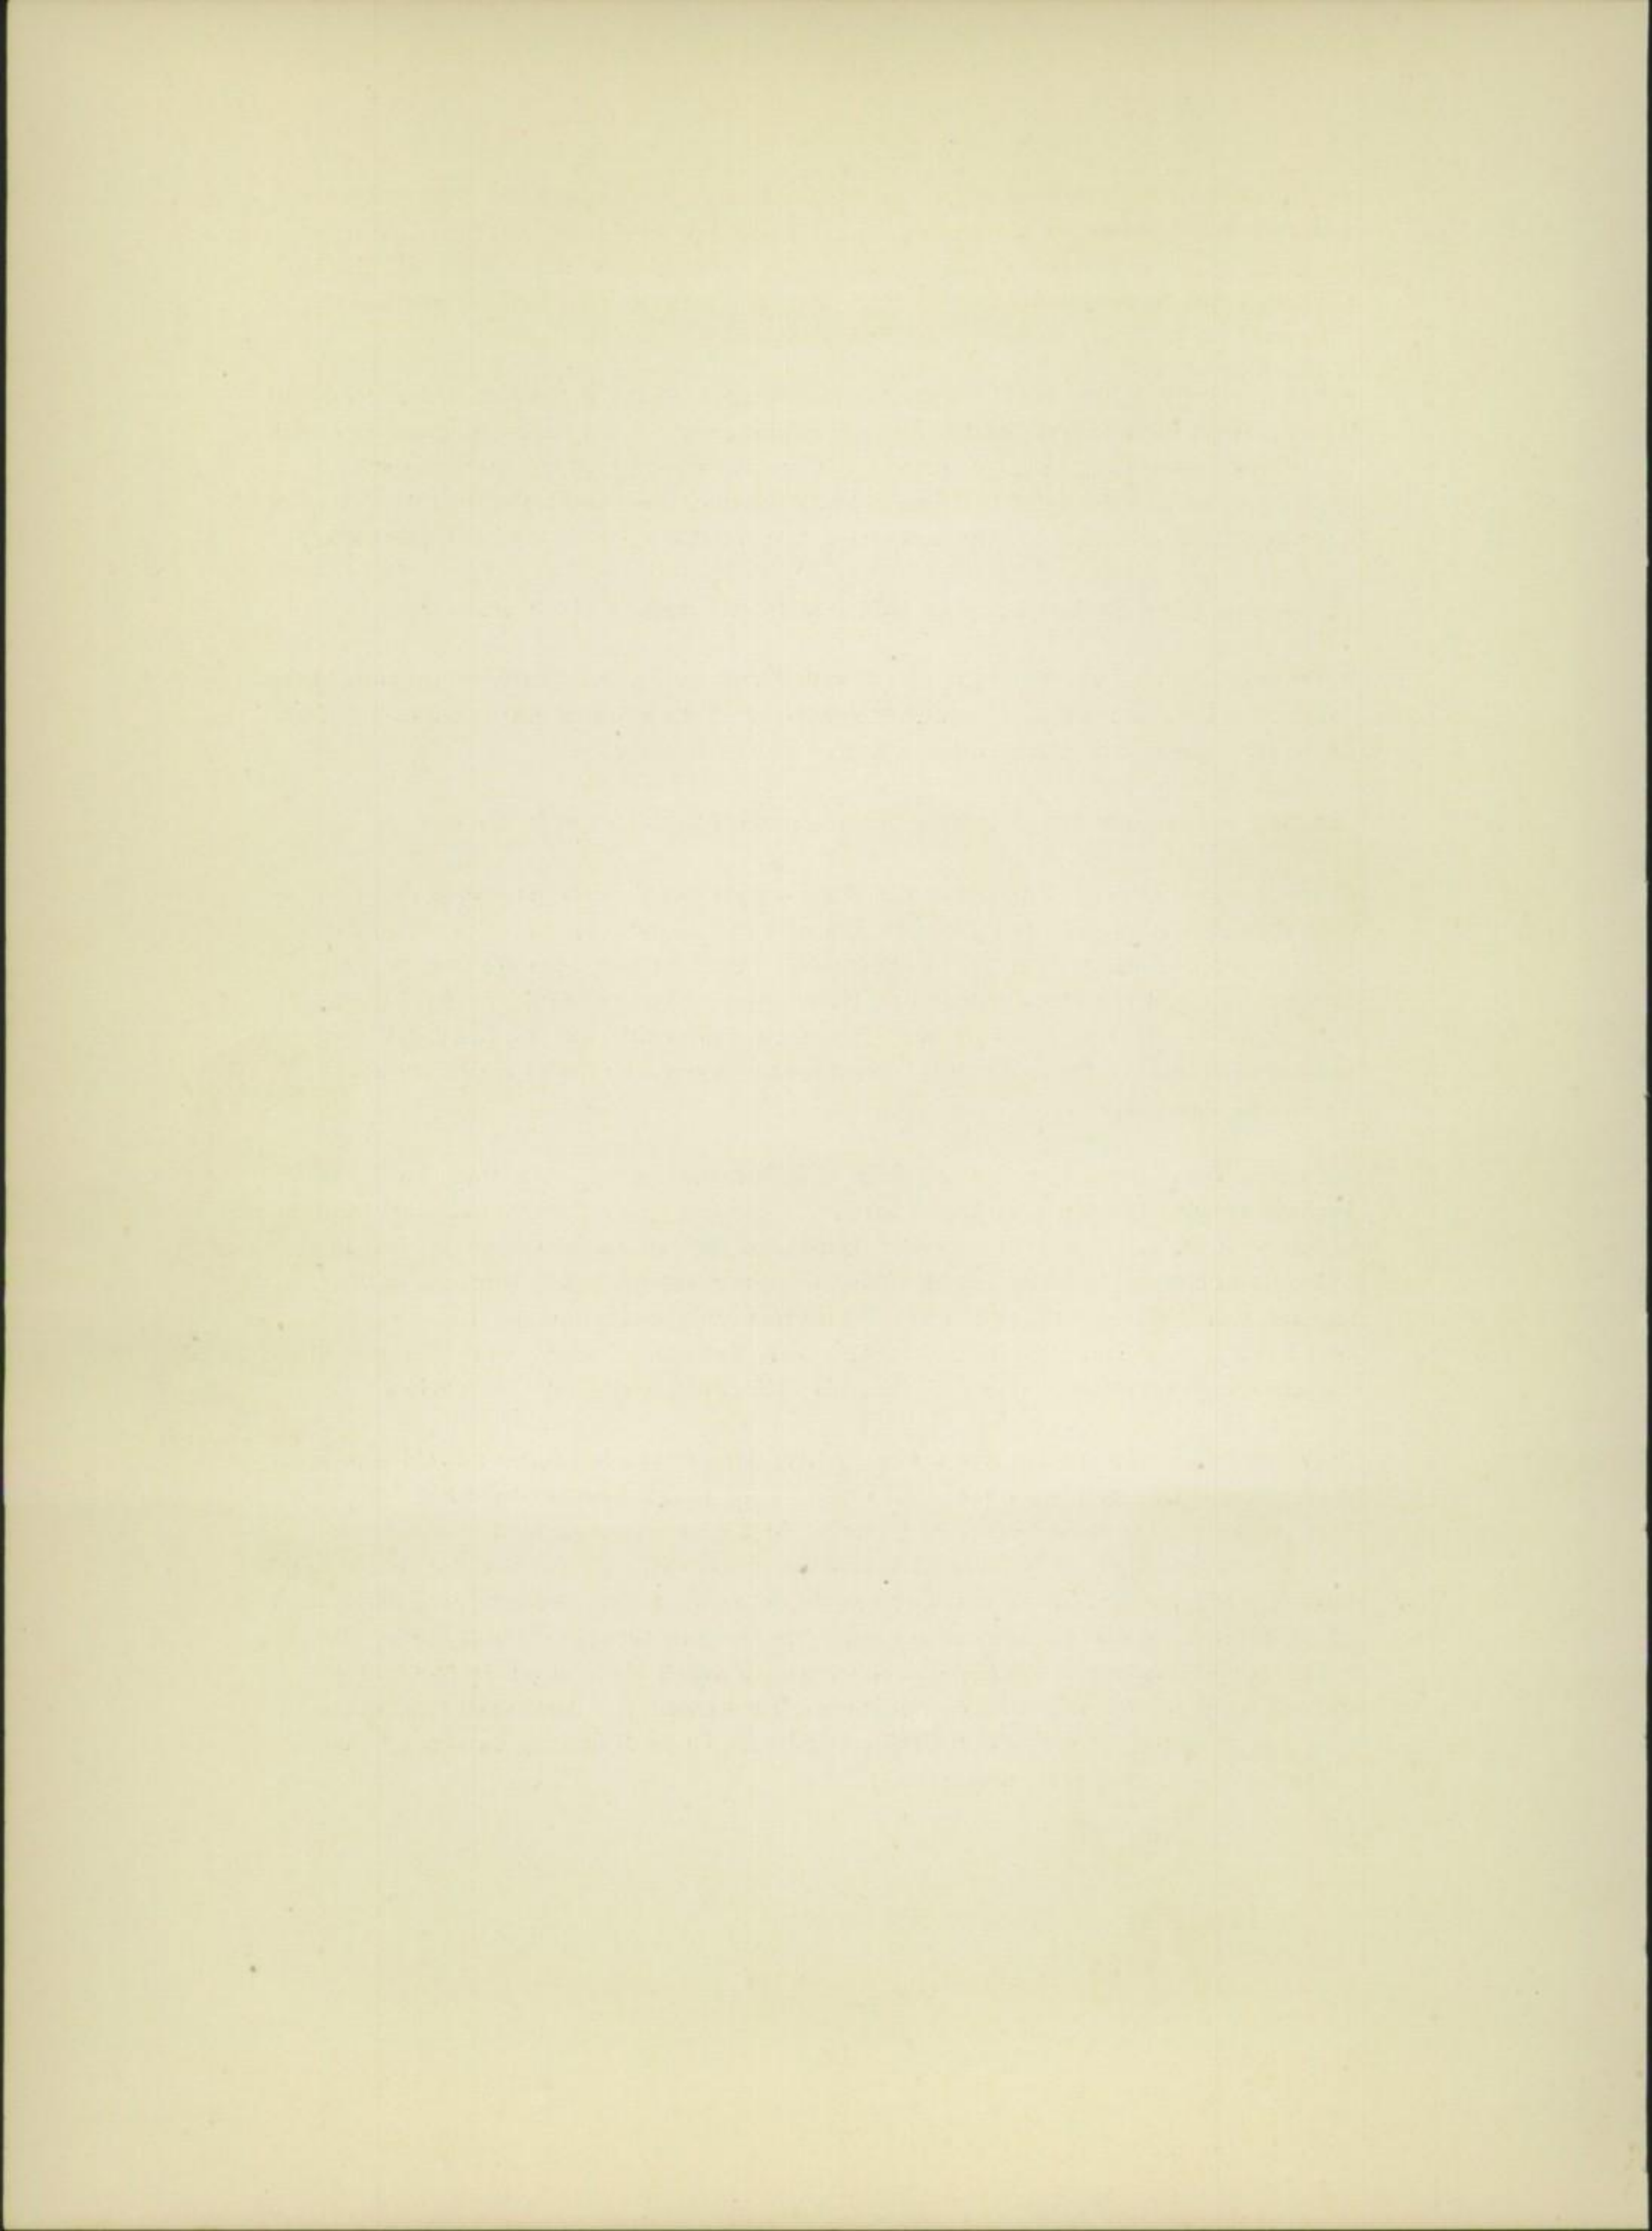

In the fourth grade, we wanted to sing "Don't Fence Me In" every fifteen minutes of the day... that song expressed our sentiments perfectly. We became more serious-minded in the fifth grade; we elected class officers for the first time.

Our class roll was enlarged when the seventh graders from Center Hill joined us.

At last... our first year in high school! What a hilarious time we had when the girls wore their hair in pigtails and the boys donned knee-length trousers for the "Kid Party" given in honor of the Seniors by the Freshmen. Mrs. Davidson, our sponsor, was a darling in her red and white striped pinafore. Our Sophomore year, guided by Mr. Witt, found us enjoying many parties... the most memorable was the beach party at Sanlando Springs. A most delightful evening was enjoyed by the girls who served at the Jr. -Sr. Banquet.

Our Junior Year... Need we say anymore!!! Class rings, play, "Goodbye, Hollywood" directed by Mrs. Gaines; a special column in "The Gatorzette" written by Gail Minton; Educational Guidance programs by Mr. Board; and last but not least, our Jr. -Sr. Banquet, "Hawaiian Paradise." What a pool! What a moon! Stars dripping from the ceiling! Barefoot hula girls serving the dinner! Those receiving special honors that year were Jerry Sellers, Boys State; Charlotte Center, Girls State and FSASC; Gail Minton, Press Conference; Frankie Lord, Clyde Gates and Allen Perry, Key Club Convention.

Finally... Our Senior Year! Again Jerry Sellers was elected as class president--his sixth year. The annual staff and paper staff worked hard and diligently to publish "the best ever". For the first time in B. H. S. history a Beta Club was organized. Gail Minton was elected president. The football season was spiced with the "Senior Air" as Joan Richey, Barbara Woolf and Gracie Padgett cheered the boys on for their second year. Jerry made all-conference for two years in succession. The Seniors were really in for being the first to start something new. Joan Richey was crowned Miss B. H. S. at our Homecoming Webster; Gail Minton and Barbara Woolf were her attendants. Basketball time came around with Barbara Woolf, Faith Driggers and Vera Connell making baskets for their fourth, third and first years respectively.

Time was fleeting too quickly... our personal cards, invitations and caps and gowns were ordered before we realized it.

Though we are graduating from B. H. S. and are, perhaps a bit sad, we are looking forward to the future with the ambition of upholding our class motto:

SENIOR CLASS WILL

We, the Seniors of Bushnell High School of 1952, being of sound mind, do leave our beloved B. H. S. to make our way in this big, wide world; leaving, we do hereby will and bequeath our most cherished possessions to you, the Juniors.

- I, Faith Driggers, will my red hair to Agnes Norman and my ability to play basketball to Betty Morris.
- I, David Padgett, will my nickname "Leroy" to Danny Hogans.
- I, Frankie Lord, will my horsemanship to Billy Blackwell.
- I, Byron Cassady, will my ability to be romantic in the moonlight to Burke Ellerbe.
- I, Barbara Woolf, will my ability to be true to one man to Carolyn Hall and I leave my quick temper to anyone who can control it.
- I, Clyde Gates, will my mischievous ways to Morris Eaddy and every inch of my 6' 3" height to Larry Cowart.
- I, Charlotte Center, will my ability for good leadership to Sylvia Center and my thoughtfulness of others to Betty Sparkman.
- I, Allen Perry, will my knowledge in Science to Donald Hunt, in case he wants to be a real doctor.
- I, Joan Richey, leave my dainty feet and hands to Louise Fussell and my small size to Norma Jean Allen.
- I, Jerry Sellers, will my privilege to be ushered out of football games to Larry Cowart and also to Larry, I leave my way with the women.
- I, Gail Minton, will Judy to Betty Anne Beville as she almost lives with her anyway.
- I, Frankie Reid, will some of my surplus weight and my big muscles to Burke Ellerbe and Larry Cowart.
- I, Ann Veal, will my cute figure to Vivian Seay and my sweet personality to Fannie Mae Alewine.
- I, Eugene Hamilton, will my football ability to Bobby Hall.
- I, Gracie Padgett, will my big mouth to Betty Morris.
- I, J. C. Myles, will my bashfulness to Norman Hurst.
- I, James Williams, will my tallness to Donald Jones, who needs to be a little taller.
- I, Vera Connell, will my ability to be quiet in class to Carolyn McClamma and my quiet laugh to Mary McAllister.
- I, Charles Lamb, will my ability to skip school and get by with it to Eugene Spooner.

Last, but not least, we the Seniors leave our best wishes to the student body for their coming years and may they acquire as much knowledge and happiness from these years as we have acquired in ours.
